Fr Wojciech Mikulski Aug 2019

Fr Wojciech Mikulski was with us in St Patrick's Kilsyth during the month of August 2019. He is a Polish born priest who was ordained in 2010. At this time is currently studying for his PhD in Rome and was helping Fr Daniel by working in St Patrick's to allow Fr Doherty to be able to take some holiday leave. During his time in Kilsyth he was able to be a tourist in Scotland and take in some of the usual tourist destinations like the Falkirk Wheel and some hillwalking. He was also able to attend a football match with some of the men's group.
